Former Professor and Head

Department of Environmental sciences

University of PUNE

C101-Prakriti

Balewadi, PUNE 411045,India

AIMS AND OBJECTIVES

To publish a quality International research journal in Ecology and Environmental Science including one of most important area of concern- Environmental Conservation. To publish quality peer reviewed research papers, reviews and articles in these three important fields from diverse geographical areas of the world. To make this journal one of the most important journals in the field with worldwide relevance.

SCOPE

1. Grassland and Forest Ecology
2. Agricultural Ecology
3. Biodiversity and Systematics
4. Climate Change
5. Forest Conservation
6. Environmental Education
7. Aquatic Ecology including Marine Ecology
8. Pollution of Air, Water and Soil
9. Pollution Control
10. Environmental Education
11. Ecotoxicology
12. Environmental Monitoring
13. Desertification, Soil Erosion and their Control
14. Resource Conservation

15. Wildlife Biology and Wildlife Conservation
16. Conservation of Environmental Resources
17. Environmental Legislation
18. Recycling of Resources
19. Desert Ecology
20. Biotechnology for Environmental Conservation
21. Waste Management
22. Radiation Hazards
23. Environment Impact Assessment
24. Green Buildings
25. Bioremediation
26. Soil Conservation
27. Any other topic related to Ecology and Environmental Science
